## Happy Kitchen | Prices & Products for deliveries beginning 2012

Happy Kitchen is an artisan bakery in East London run by a group of life long friends. We make hand making mouth watering, natural treats – free from added sugar, wheat, dairy and eggs – wherever possible using only organic & fairly traded ingredients. We pride ourselves on making food that is good for people and good for the planet. We are the first completely ‘free from’ bakery in the UK and we opened our first bakery canteen alongside on Mentmore Terrace in London Fields in July 2011. Right next to the bakery! Come visit us soon!
